1. GCPay.com

- 1.1. BNBuilders is using GCPay.com (GCPay) to process monthly payment applications. All payment applications will be submitted to BNBuilders via GCPay. There is no charge to subcontractors for using GCPay.
- 1.2. Registration. An email will be sent via GCPay to register your company or you can register at www.gcpay.com.
- 1.3. Project Set Up. Upon registration, you will receive a notification from GCPay that access is available for each project your company has a contract on. The following are required to be submitted via GCPay:
 - 1.3.1. Schedule of Values (SOV): The contract value will be entered into GCPay. Subcontractors are required to provide a breakdown of that contract value with detailed line items. Line items can be entered manually or an Excel spreadsheet can be uploaded. Contractor’s Project Manager will review and approve subcontractors’ SOVs. SOVs must be submitted within 10 days of execution of the Agreement and before the first payment application can be submitted.
 - 1.3.2. Change Orders: Approved change orders will be added to your SOV as separate line items throughout the project. Payment applications will include these approved change orders. Subcontractors cannot bill for any unapproved change orders.
 - 1.3.3. Compliance Documentation: Access will be provided for the required compliance items for each project on GCPay. Subcontractors will provide these documents and upload them with each payment application. If a compliance item, such as insurance, is due to expire, notification will be sent via email thirty (30) calendar days prior to expiration. Please email the Project Accountant with any questions.
 - 1.3.4. Applications for Payment: Payment applications will be submitted to Contractor on a monthly basis via GCPay. GCPay will send notifications via email one week in advance of payment application due dates.
 - 1.3.5. Lien Waivers: Subcontractors shall receive a notification from GCPay with a link to the lien waiver forms. These forms will also be available in each project in GCPay.
- 1.4. Signatures. The digital signature in GCPay is preferred. Otherwise, signatures must have an electronic stamp that authenticates it or forms must have wet signatures and then uploaded to GCPay.
- 1.5. Technical Questions: Please contact GCPay if you have any technical or function issues with their system at (877) 447-2584 or support@gcpay.com.
- 1.6. Other Questions: Please contact BNBuilders regarding any payment application or documentation questions. Emails can be sent to the Project Accountant with the following information in the subject line: BNBuilders Project Number, Project Name – Subject (ex. 117010.200, Spruce Elementary – Construction Waiver).
